

EXPRESSION OF INTEREST FOR SITE BASED CONSTRUCTION ROLES ON WIND FARM PROJECTS

Ref: Aug 2023

At Zenviron we are committed to the development of our people. We believe in growing our people by offering them challenging roles that stretch their capabilities and help to facilitate their career progression. We seek genuine, practical and solution focussed individuals who take great pride in delivering on their promises and we believe in actively helping our new talent to understand the Zenviron culture, which underpins everything we do.

Due to our continued success, we are seeking expressions of interest from experienced candidates across a range of Site based construction roles on wind farm projects including:

- Construction Managers
- Site Supervisors
- Project Engineers

Our roles offer you:

- Variety of work on large scale renewable energy projects
- On the job training through real experience
- The opportunity to work with some of the most experienced and highly skilled professionals in the industry
- Mentoring and coaching to support you along your journey

To be considered you must meet the following criteria:

- Hold current relevant qualifications.
- Possess Australian citizenship or Australian Permanent Residency at the time of applying
- Previous relatable experience on wind farm projects (preferred) or equivalent large-scale infrastructure projects

Expressions of interest may be submitted to info@zenviron.com.

Please also ensure that your resume and relevant supporting documentation are submitted as a single file at the time of your application.
