

## EXPRESSION OF INTEREST FOR ELECTRICAL AND CIVIL GRADUATE ENGINEERS – CONSTRUCTION MANAGEMENT GRADUATES

Ref: 15<sup>th</sup> Feb 2022

At Zenviron we are committed to the development of our people. We believe in growing our people by offering them challenging roles that stretch their capabilities and help to facilitate their career progression. We seek genuine, practical and solution focussed individuals who take great pride in delivering on their promises and we believe in actively helping our new talent to understand the Zenviron culture, which underpins everything we do.

Due to our continued success, we are seeking expressions of interest for potential permanent roles based in Newcastle and project Site locations within Australia for Graduate Electrical and Civil Engineers and Construction Management Graduates commencing mid to late 2022.

Our roles offer you:

- Variety of work on a range of large-scale renewable energy projects
- On the job training through real experience
- The prospect to work with some of the most experienced and highly skilled professionals in the industry
- Mentoring and coaching to support you along your journey
- Opportunities for Site placement to gain valuable construction experience

As a Graduate you can expect to be involved in a range of areas that may include:

- Estimating and tendering
- Planning and scheduling
- Design
- Quality assurance
- Document control
- Procurement and contract administration
- Project engineering and commissioning
- Drafting

To be considered you must meet the following criteria:

- Completing your Engineering or Construction Management qualification by mid-2022 (preferred), but no later than December 2022, or have completed your degree in the last 2 years.
- Possess Australian citizenship or Australian Permanent Residency at the time of applying
- With emphasis on:
  - o Strong attention to detail
  - o Good communication (verbal and written) and negotiation skills
  - o Self-motivated with ability to work independently in meeting project targets
  - o Sound knowledge of power or renewable energy systems

Expressions of interest may be submitted to [info@zenviron.com](mailto:info@zenviron.com).

Please also ensure that your resume and a copy of your most recent academic transcript are submitted as a single file at the time of your application.
